Membership Type: Individual Organisation

Data Protection: Do you consent for us to hold your personal information on a database? Yes No

I would like to support Barnabas Safe and Sound to develop more facilities and support for young people and I would like to be kept upto date with progress.

I understand that members are entitled to 1 vote at meetings of members and in the event of the charity being wound up I agree to contribute a sum of £10 to the charity's assets. Membership is valid for 1 year.
